

Nositelj projekta: Srednja škola Pakrac

Referentni broj projekta: **2024-1-HR01-KA122-VET-000221353**

Naziv projekta: **Care4Unity**

Cross-Curricular Integration

The project was also designed to support the development of key transversal competences and interdisciplinary learning:

Civic Education (Građanski odgoj i obrazovanje)

(Goo C.4.3., C.3.1.)

– promoting empathy, inclusion, and active citizenship by working with vulnerable groups.

Personal and Social Development (Osobni i socijalni razvoj)

(Osr A.4.1.-2., B.4.2., C.4.1.-2.)

– fostering responsibility, emotional intelligence, and independence during mobility.

Learn How to Learn (Učiti kako učiti)

(Uku A.4.3.-4., B.4.1., C.4.3.)

– planning, evaluating and reflecting on personal progress, especially through preparation and evaluation phases.

Digital Competence (IKT)

(Ikt A.4.2.-3., D.4.1.)

– using OLS platform, online tools for communication, evaluation (Forms, Canva, TwinSpace).

Foreign Languages (Engleski i Slovenski jezik)

(CJ A.4.1.-2., B.4.3.)

– improving communication skills in healthcare-specific vocabulary and basic conversation in Slovenian.

Mental and Social Health

(Zdr A.4.1., B.4.1.)

– recognizing the importance of mental health, teamwork and self-care in emotionally demanding professions.

Implementation
